### § 210.15 Reporting and recordkeeping.

(a) *Reporting summary.* Participating school food authorities are required to submit forms and reports to the State agency or the distributing agency, as appropriate, to demonstrate compliance with Program requirements. These reports include, but are not limited to:

(1) A Claim for Reimbursement and, for the month of October and as otherwise specified by the State agency, supporting data as specified in accordance with § 210.8 of this part;

(2) An application and agreement for Program operations between the school food authority and the State agency, and a Free and Reduced Price Policy Statement as required under § 210.9;

(3) A written response to reviews pertaining to corrective action taken for Program deficiencies;

(4) A commodity school's preference whether to receive part of its donated food allocation in cash for processing and handling of donated foods as required under § 210.19(b);

(5) A written response to audit findings pertaining to the school food authority's operation as required under § 210.22; and

(6) Information on civil rights complaints, if any, and their resolution as required under § 210.23.

(b) *Recordkeeping summary.* In order to participate in the Program, a school food authority shall maintain records to demonstrate compliance with Program requirements. These records include but are not limited to:

(1) Documentation of participation data by school in support of the Claim for Reimbursement and data used in the claims review process, as required under § 210.8(a), (b), and (c) of this part;

(2) Production and menu records and, if appropriate, nutrition analysis records as required under § 210.10, whichever is applicable.

(3) Participation records to demonstrate positive action toward pro-

### § 210.16 Food service management companies.

(a) *General.* Any school food authority (including a State agency acting in the capacity of a school food authority) may contract with a food service management company to manage its food service operation in one or more of its schools. However, no school or school food authority may contract with a food service management company to operate an a la carte food service unless the company agrees to offer free, reduced price and paid reimbursable lunches to all eligible children. Any school food authority that employs a food service management company in the operation of its nonprofit school food service shall:

(1) Adhere to the procurement standards specified in § 210.21 when contracting with the food service management company;

(2) Ensure that the food service operation is in conformance with the school food authority's agreement under the Program;

(3) Monitor the food service operation through periodic on-site visits;

(4) Retain control of the quality, extent, and general nature of its food service, and the prices to be charged the children for meals;

(5) Retain signature authority on the State agency-school food authority agreement, free and reduced price policy statement and claims;

(6) Ensure that all federally donated foods received by the school food authority and made available to the food service management company accrue only to the benefit of the school food
